Important Information About Procedures to Purchase a Banco do Brasil Americas® Prepaid Card:

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you purchase a card, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

The information provided by you, at the time you purchase a card, is subject to verification.
